

My name is Barb Chotras, probably better known as Neiko's mom. Neiko is on the silver team and also participates on the high school dive team. He's been a diver for a little over 2 years. During this time I have come to learn a lot about the sport of diving. By volunteering at all the home meets, I've experienced first hand what it takes to put these events together. The teamwork on everyone's part is incredible. If elected to the board I hope to work more closely with this great group of people to ensure all the divers continue to have a fun and challenging experience with CdS.
