

My name is Sheri White and I am asking for the support of all Clavadistas parents. My daughter Morgan has been diving for our club for approximately 13 months.

- * She loves to go to practice.
- * She is developing her talent under our tremendous coaching staff.
- * She is making new friends
- * Morgan enjoys the untiring support of the dedicated parents who work our website, who assist at diving events and who make the club work for the benefit of all our kids.

I want to become part of our parent team. I want to do my Part. I want to be part of our Board. With your support I want to make sure that these good things continue not only for my daughter but for all our children. I want to make sure that all of our children are given every opportunity to have fun, to make friends and to succeed at their highest levels. A vote for me is a vote for your own child. **Thank You Very Much.**
